

# Soul Readings

---

**Do you ever wonder why you are here, or what you are here to do?**

**Do you wonder why you cannot move forward in life?**

**Do you feel stuck?**

**A Soul Reading will help you find the answers!**

A soul reading is a powerful tool to help you understand your soul theme, soul purpose, and “sacred truth”. It will give you the “big picture” view of your entire life story.

We all have a Soul Blueprint that is a tangible, energetic grid pattern that creates the very foundation for all of our experiences. You will receive validation for all of your life experiences and a deeper understanding of the “why” of your life.

If the time is right for you to do this level of work, you will be guided by your inner spirit to do so.

Soul Reading: \$95.00 – price includes; preparation of the reading before you arrive and a 1 ½ hour session for review and discussion. And then, together, we will devise your plan of action!
